

## Uniform Policy

Our school uniform at DePS is part of our identity and all students should take pride in wearing it. The aim of our uniform is for students to present a neat, work-like appearance at all times and to take pride in being members of Deira Private School. Personal presentation is very important and a high standard of personal appearance is expected of all students at all times.

The uniform is compulsory throughout the school and may be purchased from the school store. Please ensure all uniform items are clearly labelled with the child's name and class. Name tapes are excellent or alternatively a waterproof marker pen.

**As per the behaviour policy, an incorrect uniform will lead to sanctions after persistent warnings. And as from the beginning of the new academic year, the management will be holding uniform checks to ensure all children are following the policy. All children will receive a warning the first time as well as the incorrect uniform (jackets) being taken away until the end of the day. After the first warning, children will receive after-school detention as per the behaviour policy.**
